

Primary School

High levels of achievement

SATs results for KS2 were fantastic. All children achieved level 4 and above in all subjects with the majority of them achieving level 5 or level 6!

Country moderation of writing deemed teaching and learning in preparation for SATs to be 'outstanding' and exam procedures and practice to be good and fully in line with expectations.

Staffing update

This term we are pleased to welcome two new members of staff
Miss S Laurie (KS1) and Mrs N Haynes (KS2) to the school.

Wilby children, staff and parents swim the channel!
35 members of the school community are challenging themselves to swim as far as possible to raise money for the wonderful charity **ASPIRE** which raises money for people with spinal injuries. To support us in this challenge please read about the charity by visiting www.aspirechannelswim.co.uk and contact the school if you feel able to support our sponsorship programme.

BE THE BEST THAT YOU CAN BE!

This term we have launched our inspirational programme to 'Be the best that you can be' by inviting world champion BMX star Mike Mullen into school to talk to parents, children and staff. He entertained us with an exciting array of stunts and inspired us all on our journey to reach for our dreams
